Feedbacks

Robin

Paraty was great - it's clearly not as well known by American tourists, but really fun, interesting and worth the trip. Both tours there - boating/hiking one day, and kayaking the next, were highlights for us.

We had a really fun night in Lapa for the Botecos Bar Tour. We ended up going to two places - first a Club with live samba music, beer, and snacks, and then a restaurant/bar for caipirinhas and more snacks. It was great. I'm pretty sure we were the only foreigners in the whole neighborhood LOL!

Montserrat

I'm writing just to thank you for the excellent organization of the trip. I truly appreciate the professionalism, reliability, and kindness of the people who accompanied me in Brazil: Jonatan, Fernanda, Daniel, Diana, and Lucia.

Last but not least, I want to personally thank you, Juan Ramón, for your dedication, professionalism, and kindness throughout the entire trip.

My sincerest gratitude for everything!!!!

Riviera

In Brazil, they had an amazing time!! 😊

In Jeri, they also had a blast like kids, and they loved the "adapted" tour in Rio...

For Yolanda, the mother, the highlight of the ENTIRE trip was the Lençóis, so just imagine... total success! 🎉

Marta

I didn't want to write to you earlier to give you some rest, but I don't want to let more time pass without thanking you for the AMAZING work you've done with this group.

It has been INCREDIBLE how quickly you've managed every change and every new request we've had, with all the details you've included in the files, and how you've adapted to our needs at any time, even during your convention, which I know wasn't easy due to your location.

My colleagues Miguel and Sergio have told me they felt very supported and helped by you throughout all the days and that you didn't miss a single thing!!!!

An IMPECCABLE job

Juana

I'm writing to let you know that on Friday I was with María, who came to the office to tell me about the trip, and they are thrilled 😊

They absolutely loved the destination, had an amazing time, and enjoyed it a lot. They also told me that the guides were wonderful and that your organization was incredibly well done! They mentioned a lot about guide Fernanda, but said everyone was great.

So, thank you again, another satisfied client! 😊
